## *Always Forward, Never Back*

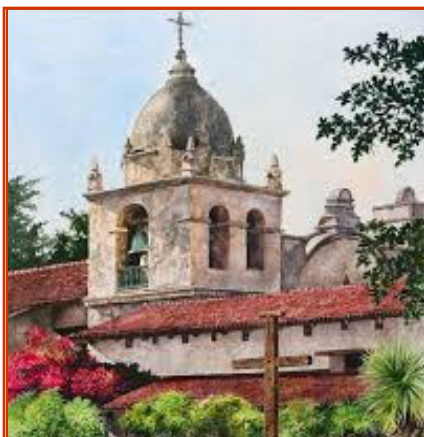

“No one who sets a hand to the plow, and looks to what was left behind is fit for the Kingdom of God.” Jesus was fond of using agricultural terms and images when teaching His Apostles and His followers, and this quote, which comes at the end of our Gospel Reading from Luke today, is an excellent example of that.

In fact, you almost have to have had experience with farming and plowing to understand what it means. It is important for the health and sustenance of crops that the furrows made by a plow, and in which the seeds will be planted, are straight. Whether plowing in Jesus' time either by hand or with a plow pulled by oxen, in order to plow straight rows, someone had to focus on where he was going, not on where he had been. It has not changed with our modern farm equipment today.

In other words, the secret is to look forward, and to assure that you are going in a straight line. Looking back invariably made the person plowing lose focus. That is Jesus' point to us. As good stewards we must keep our focus on Him, on following Him, and on being His disciple. That allows us to move toward our goal of holiness and of being the kind of disciple He wants us to be.

***Thank You for your Stewardship!***

***It is through your support that Carmel Mission continues its mission of spreading the Word of our Lord. May God bless you all!***

## Carmel Mission Book Club Selection

The Church of Mercy by Pope Francis, was selected by the club in this Jubilee Year of Mercy. Its message is certainly timely and moving. The club meets in MacMahon center at **2pm Saturdays.**

## Our Carmel Mission Respect Life Club wants you to know ~

As of June 9, 2016 physician-assisted suicide is now legal in California. And soon, we, the taxpayers, will be paying for it. Governor Brown's proposed 2016 Budget recommends \$1.4 million to purchase lethal drugs for more than 200 Medi-Cal patients (400+ next year) for those who want their physician to help them commit suicide.

California would pay an estimated \$5,400 per patient just for the drugs yet MediCal participants are not currently offered a MediCal benefit for palliative care (designed to improve the quality of life for patients and their family facing serious illnesses.)

It is our hope that the Governor and Legislature will improve the quality of life for Californians, not improve access to ending it.

Please urge your Legislator and the Governor not to support this expansion of physician-assisted suicide. Go to [CaCatholic.org](http://CaCatholic.org) for more information.

**Celebration Mass for  
Our Lady of Perpetual  
Help  
Monday, June 27, 2016;  
Carmel Mission Basilica**

We thank Elinor Laiolo for the maintenance and refurbishment of one of our most popular shrines.

A special mass will be celebrated at Noon by Rev. Bill Adams, CSsR to rededicate our devotion to Our Lady of Perpetual Help. Celebrating 150 Years since Pope Pius IX gave the icon of Our Mother of Perpetual Help to the Redemptorists, with the mandate to “make her known” and foster devotion throughout the world as the Mother of Christ. To this day, the Church of St. Alphonsus in Rome displays the icon and welcome pilgrims for prayer.

## ***Serra Pilgrimage 2016***

Come celebrate the Feast Day of our founder, Saint Junipero Serra on July 1, 2016 with another walking pilgrimage from San Carlos Cathedral to the Carmel Mission Basilica. We will once again gather on the steps in front of the Cathedral on Friday July 1 at 8:00AM and depart promptly at 8:30AM, stopping along the way for some time to reflect. We plan to arrive at the Mission around 11:30AM and then celebrate with a Mass in the Basilica in honor of St. Serra at Noon. You must be able to complete a 3-hour hike over various terrains, so wear comfortable shoes and clothing.

You must sign up in advance by calling Claudia Larraza at 373-2627, ext. 33 or by emailing her at [clarraza@sancarloscathedral.org](mailto:clarraza@sancarloscathedral.org) by Tuesday June 28. Please provide your name, cell phone number, emergency contact name with their best possible daytime contact number.

***Please pick up a Pilgrimage Fact Sheet at the back of the Basilica for more information.***

## Thank you from the USS Stennis; South China Sea

I want to thank all of the parishioners who sent care packages to the sailors (both male and female) on the USS Stennis, which is returning at the end of June to Hawaii.

I am enclosing a note from CMC Joe Lovelace, head Enlisted who distributed the care packages.

*"I would like to once again express my most sincere appreciation for the care that you and your church have shown the Carrier Air Wing NINE "Shogun" and USS John C. Stennis "Courage" team. I have had the distinct privilege of handing out more care packages than I could count. The responses from our Sailors have been overwhelming. It was great to watch each Sailor's smile grow when I presented them with a package and a message that people were thinking about them, cared about them and appreciated their sacrifice. I asked many of them to let me know what they had received, I must say that candy or chocolate were typically the first announcement they made but, they would usually continue with "I really needed that toothpaste or deodorant. It was running low!" They also found great joy in the many books, videos and games that they received.*

*Joan, Your congregation has been a tremendous support team for us during this deployment. They have helped provide smiles and certainly lifted morale for our Sailors at moments when it was needed the most. On behalf of the entire SHOGUN/COURAGE Team, I say thank you and God bless!"*

*CMC Joe Lovelace*

And I thank all of my beloved Carmel parishioners who helped in this effort

~ Joan Brophy Thomas

## DOCENT CORNER

Do you know what a Basilica is and why the Carmel Mission became one? The Latin word *basilica* was originally used to describe a Roman public building, usually located at the center of a Roman town (a forum). In Hellenistic cities, public basilicas appeared in the 2nd century B.C.

After the Roman Empire officially became Christian, the term evolved to refer to a large and important church that had been given special ceremonial rights by the Pope. When it came time to build major churches, the Roman basilica form was preferable to the Roman temple form which was considered a pagan building.

The Major Basilicas are the four great churches of Rome: St. John Lateran, St. Peter's Basilica, St. Paul outside the Walls and St. Mary Major. All the rest are minor basilicas.

There are approximately 1,500 minor basilicas found around the world, of which the majority is in Europe (522 in Italy alone). There are 58 basilicas in the U.S. The Cathedral of Notre-Dame de Québec was the first basilica in North America (1874) and the Basilica of Saint Mary in Minneapolis was the first basilica in the United States (1926).

The "privileges" attached to the status of basilica are conferred by the Pope and include a certain precedence before other churches, the right to display the conopaeum or umbrellina (a canopy resembling an umbrella) and the bell (Tintannabulum). These are found in the rear of the Basilica.

Four California Missions are minor basilicas: Carmel Mission was consecrated in 1960 and designated a basilica in 1961 by Pope John XXIII, San Francisco Asis which is the church next to Mission Delores in 1952, Mission San Diego in 1975 and San Juan Capistrano Church (not the original mission) in 2000.

The Carmel Mission is a basilica because it fulfilled the following necessary characteristics required by the Church:

- It is a place of pilgrimage
- It is a place of special devotion
- It is a center of historic significance for the Faith
- It is architecturally qualified for such an honor.
- It is artistically qualified for such an honor.

When Pope John Paul II visited the Mission in 1987 he said, "*This serene and beautiful place is truly the historical and spiritual heart of California.*" And that's why it is a basilica.

This insight into the Mission history was provided by the Carmel Mission Docent Association.

# Carmel Mission's Junipero Serra School

## *The Heart of JSS*

This photo of Carmel Mission's Junipero Serra School taken near the last day of the 2015 - 2016 school year captures the spirit of Catholic education. I thank you for all the support the parish has given the school and me over the last two years and ask you to continue your support of JSS and Mr. Bruce Stewart, the School's new principal. I share with you one of my favorite passages from Scripture with deepest gratitude.

*This, then, is what I pray, kneeling before the Father, from whom every family, whether spiritual or natural, takes its name:*

*Out of God's infinite glory, may He give you the power through His Spirit for your hidden self to grow strong, so that Christ may live in your hearts through faith, and then, planted in love and built on love, you will with all the saints have strength to grasp the breadth and the length, the height and the depth; until, knowing the love of Christ, which is beyond all knowledge, you are filled with the utter fullness of God.*

*Glory be to God whose power, working in us, can do infinitely more than we can ask or imagine; glory be to God from generation to generation in the Church and in Christ Jesus forever and ever. Amen. (Ephesians 3:14 - 21)*

**Love God; love each other! Always forward, never back!**

*Mary Ellen Ryan*
