Those who are just must be kind.
— Wisdom 12:19

In the Gospel reading this week Jesus continues to teach his followers through the telling of parables. The parable of the wheat and the weeds could have various interpretations but Jesus further clarifies when asked by his disciples. At the heart of the parable is the decision of the sower (Jesus) to allow the wheat and the weeds to grow up together. To attempt to root out the weeds while both are growing is too dangerous; wheat might be damaged by the techniques employed to cull the weeds or wheat might be mistaken for a weed and erroneously destroyed. Instead both should be allowed to grow and at the time of the harvest the sower can make the determination of what is wheat and what is weed.
The people tending the harvest are not to make this determination, only the sower. So it is with us, it is not our responsibility to determine who is worthy or unworthy. God alone is capable of making these determinations, and God does not make these calculations with our limited human tools or understanding. God knows, loves and values every person in the world, past, present and future. This is a mystery beyond our human understanding but Jesus' teaching through the parable makes it clear that it is not for us to determine who is loved by God, rather we must embrace the mystery of God's infinite love and trust in God's endless wisdom and compassion.

Olive tree, grapevines and pear tree in the central courtyard. This pear tree was grafted from one of the pear trees in the original Mission orchards from the time of St. Junípero Serra. The orchards where planted in the area where the Orchard House is now located.

STEWARDSHIP

ANNUAL MINISTRY APPEAL 2017

One Faith, One Family

A Community of Faith, Hope and Charity

Dear Mission Families in Christ,

We are profoundly grateful to all of you who have supported our Annual Ministry Appeal (AMA) and the Crespi Parish Hall renovation this year! Your generosity has shown that our community is truly "One Faith, One Family". All (100%) of your contributions to our only annual parish appeal are going directly to benefit the ministries of the Diocese and the much-needed renovation of our own parish hall.

Our parish community has increased our response to the AMA every year since 2013. This year our campaign was a further success. The number of individual contributors increased by 25% from last year and the total contributions from the appeal increased 36%!

The funds received will be distributed as follows:

1. $51,800 to meet our Diocesan appeal assessment

2. Crespi Parish Hall Renovation:

    a. $32,200 excess AMA contributions to the Crespi project

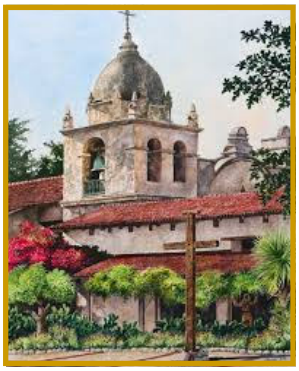
    b. $25,000 excess AMA contributions from the prior two years

    c. $21,000 direct contributions from parishioners to the renovation project.

Total $78,200 to fund the project

We are excited that work has already begun on Crespi! Construction of the new office is well under way. Work on the project has uncovered opportunities to create additional much needed office space and storage areas which we are excited about. We are also working with the Knights of Columbus to plan upgrades to the kitchen. All construction is being scheduled in a manner to minimize any interruptions in use by our parishioners and ministries. As more funds become available, we will be working on the upgrades to the bathroom.

As Pope Francis said, "When you give of your time, your talents and your resources to the many people who struggle and who live on the margins, you make a difference". Your support of the ministries of the Diocese and our church make a difference.



Thank You for your Stewardship!

Your continued generosity for the week ending 7/16/2017

Plate Collections: $ 14,063.70

Second Collection: Maintenance: $ 1,964.00

Total Weekly Contributions: $ 16,027.70.

I thank you for your sense of Stewardship and your great generosity.

Blessings of Joy, Hope and Peace—Fr. Paul, Pastor.

A Personal Journey of Healing and Imagination (And What It Created)

Wednesday, July 26th, 7:00 PM
London Bridge Pub,
256 Figueroa Street
(at the foot of Wharf 2), Monterey

Our speaker this month will be **Roger Fiola, Knight of Malta and author of the Traveler book series.** Sometimes a tough life challenge can be the beginning of a spiritual awakening as well. I learned with the loss of a major business, followed by mouth cancer, followed by a heart attack, that there was a newfound power in surrender letting go of the delusion that I am in control of my life. It is a decision made daily, hourly, even moment-to-moment. A consistent personal spiritual practice helps with this daily decision and from it can come a presence, a balanced self-love and love of the Divine, as well as a wisdom awakening—all of which makes fertile ground for God to do His work. Thus, surrender is the beginning of true empowerment!

Roger Fiola is the author of four books, which tell the story of a modern man encountering the real Jesus. Roger is a knight in the Order of Malta, and has journeyed to Lourdes on pilgrimage with that order three times. He is dedicated to the ministries serving the poor and sick.

We hope to see you there!

DOCENT CORNER

St. Junípero Serra
The Mexican Missions

This is the fourth of six articles about St. Junípero Serra.

Spanish priest, explorer and colonizer of California, and founder of the missions, Saint Junípero Serra is known today as the "Apostle of California". Mission San Carlos Borroméo del Rio Carmelo became the headquarters of mission operations in Alta California in 1771.

Fr. Serra argued with the Spanish Army over the proper authority of the Franciscans in Alta California, which he thought should be greater than that of military commanders. In 1773, difficulties with Capt. Pedro Fages, the governor at Monterey, compelled Fr. Serra to travel to Mexico City (an overland and sea journey of over 2,400 miles) to meet with Viceroy Bucareli. He drew up a proposal document with 32 articles. Bucareli ruled favorably on 30 of the 32 articles and removed Fages from office after which Fr. Serra returned to Carmel.

Fr. Serra wielded significant political power (and was involved in numerous political conflicts) because his missions served economic and political purposes as well as religious ends. Economically, the missions produced all of the colony's cattle and grain, and by the 1780's, were even producing surpluses sufficient to trade with Mexico for luxury goods.

Fr. Serra personally oversaw the planning, construction, and staffing of each mission from his headquarters at Carmel. He travelled on foot to the other missions along the coast to supervise mission work. It is estimated that Serra travelled more than 6,000 miles in the Alta California missions.

During the remaining 3 years of his life, he once more visited the missions from San Diego to San Francisco, travelling more than 600 miles in the process, in order to confirm all who had been baptized. He continued to suffer intensely from his crippled leg. He established 9 of the 21 missions established along the El Camino Real.

On August 28, 1784, at the age of 70 and after traveling many thousands of milses by sea and land, Fr. Serra died at Carmel Mission and was buried the next day under the sanctuary floor. It was 35 years to the day that he left Cadiz, Spain for the missions of the new world.

Top 10 Reasons You Should Join the Choir:

10. It's exactly like singing in the shower, except you're wearing a robe and people are actually listening.
9. Intellectual stimulation – when you make music, you are using both sides of your brain simultaneously.
8. Friends! You will no longer be able to complain, "Church is so impersonal – I don't know anyone in my parish."
7. You have a guaranteed, reserved seat for both Christmas and Easter.
6. Wearing a robe eliminates making the difficult decision of what to wear on Sunday.
5. The choir has the best parties ever.
4. It is one of the few activities that do not require electronic equipment, expensive power tools, or shopping.
3. Rehearsals are Thursday night, so for an hour you'll reduce the risk of developing tendonitis from nonstop operation of a television remote control or computer mouse.
2. Singing is heart healthy and there are no monthly membership fees and no sore muscles.
1. St. Augustine said "Singing is praying twice!" Enough said!

So why haven't *you* joined the choir?

Choir rehearsals are resuming, Thursday, August 3rd.

Why not come to a Thursday night choir rehearsal from 7:30 – 9:00 p.m. in the Basilica and see for yourselves how much fun it is to be a member of the choir.

La Palma Crosses

The pine forest town of La Palma in El Salvador, is prized for the beauty of its mountains and the craftsmanship of its local artisans. Colorful scenes include depictions of the town's natural landscape mountains, trees, animals, and houses as well as community participation in traditional activities and festivals.

We care about the environment, and protect the forest, so most of La Palma items are fashioned out of recycled wood & cardboard.
The distinctive style of La Palma's unique crafts is the result of a collaboration of skilled carpenters, designers and painters.
