**The Resurrection of the Lord,  
Easter Sunday, April 5, 2026**

Dear Friend of Carmel Mission,

The great moment is here when we celebrate the foundational truth of our faith - Jesus, the Son of God, has risen from the dead, and changed humanity's relationship with death forever. This Easter Sunday, I am struck with how, yet again, God has made the impossible possible. I am reminded of the words of the Angel Gabriel when he comes to Mary to tell her that she, a virgin, will bear the Son of God, "for nothing will be impossible for God" (Luke 1:37) and the words of the prophet Jeremiah "Ah, my Lord God! You made the heavens and the earth with your great power and your outstretched arm; nothing is too difficult for you." (32:17) Since the very beginning of creation, God has transformed the impossible.

Jesus prepared us for the possibility of the impossible act of His Resurrection when He raised His friend Lazarus from the dead. There is an important, but easy to overlook, distinction between the resurrections of Lazarus and Jesus. Lazarus comes out of the tomb still bound up in his shroud, and Jesus instructs his friends and family to untie him. But Jesus comes out of His tomb completely unencumbered, with the burial bands neatly folded in a corner. Jesus is completely free - not only breaking the chains of death, but removing and tidying any last vestige of death's bondage.

What does it mean for us to worship a God who makes the impossible possible? It means that in the face of war, violence, and destruction, peace is possible. It means that in the face of hatred, discrimination, and division, reconciliation is possible. It means that in the face of uncertainty and despair, hope is possible. It means that in the face of sorrow and grief, joy is possible. The promise of the Risen One is that all things, especially those that seem impossible, are completely possible for, and with, God. Our part is to undo the shrouds of fear, intolerance, and indifference that bind us to the darker realities of the world and allow the light of the Risen Christ to touch and heal our hearts, our relationships, our nation, and our world.

I wish you and your loved ones Easter blessings of good health and great joy. May the Risen Christ bring us, and our world, true peace,

Fr. Paul

**Diocesan Decree for the  
Year of St. Francis of Assisi**

Pope Leo XIV has proclaimed a special Jubilee Year from January 10, 2026, to January 10, 2027, to commemorate the eight hundredth anniversary of the death of Saint Francis of Assisi.

The Apostolic Penitentiary issued a decree granting the Plenary Indulgence under the usual conditions which can also be applied in the form of suffrage for the souls in Purgatory.

Besides offering the indulgence to all the Franciscan Families and anyone who observes the Rule of St. Francis, all the faithful without distinction can receive the indulgence *“by visiting in the form of a pilgrimage any Franciscan conventual church, or place of worship anywhere in the world dedicated to St. Francis or connected to him for any reason, and there they will devoutly follow the Jubilee rites or spend at least a suitable period of time in pious meditation and will raise prayers to God so that, following the example of St. Francis, may sentiments of Christian charity towards one's neighbor and authentic wishes for harmony and peace among peoples spring up in hearts, concluding with the Our Father, the Creed and invocations to the Blessed Virgin Mary, St Francis of Assisi, St Clare and all the saints of the Franciscan Family”* (Eighth Centenary of the death of St. Francis of Assisi, Apostolic Penitentiary Decree).

Therefore, I, the Most Rev. Ramon Bejarano, Bishop of the Diocese of Monterey, decree that the following churches/chapels are the pilgrimage destinations in this diocese for this special Jubilee.

1. **Old Mission San Juan Bautista and St. Francis Retreat Center, San Juan Bautista**, in the north of the Diocese.
2. **St. Paul the Apostle, Pismo Beach, CA** in the south of the Diocese.

The elderly, the sick and those who for serious reasons cannot leave home will also be able to obtain the plenary indulgence by spiritually joining the Jubilee celebrations and offering their prayers, pains, or sufferings to God.

**Conditions for receiving the Indulgence** *(for oneself or for the deceased)*

- Sacramental confession to be in God's grace *(within twenty days before or after)*.
- Participation in Mass and Eucharistic Communion.
- Visit in the form of a pilgrimage any Franciscan conventual church or place of worship dedicated to St. Francis anywhere in the world or designated by the local bishop.
- Renews one's profession of faith, through the recitation of the Creed.
- Recite the Lord's Prayer.
- Pray for the intentions of the Holy Father.

Given at the Diocese of Monterey on February 27, 2026

## Scripture Reflection

A theme in our Gospel passage for this Easter Sunday is that of running. Mary of Magdala ran to tell the disciples what she found at the tomb. Peter and the other disciple ran to the empty tomb to find the burial clothes neatly folded. It is easy to imagine why they were struck with the urgency to run - Mary could not wait to share what she had seen and the men wanted to see the tomb for themselves because it sounded unfathomable. John recounts, "For they did not understand the Scripture that he had to rise from the dead." The extent to which they saw and believed was that the Messiah was not there. The disciples did not know what was happening on that first Easter Sunday, but they had seen Jesus' miracles first hand and heard His words, and they therefore ran anxiously to discover the reason for His absence. Later the author of the Hebrews writes. "Let us rid ourselves of every burden and sin that clings to us and persevere in running the race that lies before us with our eyes fixed on Jesus, the leader and perfecter of faith." (12:1-2) The truth of the resurrection is meant to enliven us and give us the strength and hope needed to persevere in living holy and faithful lives. We run not only to encounter the Risen Lord but also to spread the good news of a living God. The development of faith in the early Christian community begins in the Gospel today, from the shock of Mary Magdala, Peter, and the beloved disciple to the witness of Peter we hear in the first reading from the Acts of the Apostles. Questions turn to statements. We are witnesses. We ate and drank with Him. He commissioned us. On Easter Sunday, the church celebrates the empty tomb as a climax of salvation history that had been set in motion from the very moment of the fall of Adam and Eve in the Garden of Eden. We have the blessing of knowing the great mystery and the great joy that the disciples would come to learn - that the Messiah had risen from the dead, defeating the sting of death for all. Whether we approach the tomb after a Lenten season that has been fulfilling and spiritually renewing or after one that has been full of struggle, the Father is watching for us just the same, ready to embrace us, and celebrate the majesty of His Risen Son. May we run to the empty tomb today with the sweet confidence that God is already running to greet each of us.

# ACT OF SPIRITUAL COMMUNION

My Jesus,

I believe that You are present in  
the Most Holy Sacrament.

I love You above all things,  
and I desire to receive You into my soul.

Since I cannot at this moment  
receive You sacramentally,

come at least spiritually into my heart.

I embrace You as if You were already there  
and unite myself wholly to You.

Never permit me to be separated from You.

Amen.

## Altar Flowers Opportunity

Here at Carmel Mission we are very fortunate to be surrounded by natural beauty in our wonderful gardens, and we receive feedback from parishioners and visitors alike on how much they enjoy the flowers, plants and trees on our property. The beauty of nature is a concrete reminder of the beauty of God, in whose image we are made. When we enjoy beautiful flowers, plants and trees we are celebrating God's gift of the natural world.

We are so happy to continue the beauty of altar flowers at our Masses each week. We invite you to consider sponsoring a bouquet for \$90 in memory or honor of a loved one, to celebrate a birthday or anniversary, or in thanksgiving to God.

The altar flowers will be a part of our weekend Masses and your dedication will included in our weekly e-bulletin.

Please contact Laura at [liturgy@carmelmission.org](mailto:liturgy@carmelmission.org) for more information and to schedule your gift. Thank you so much for your generosity and for helping to ensure that these symbols of beauty and life are part of our weekly celebrations.

# RESTORATION: AT THE HEART OF OUR IDENTITY

**Please Watch this Video Message from Fr. Paul:  
An Update on Our AMA Projects & the Story They Tell**

From the earliest days of Carmel Mission's history, restoration has never been simply a practical necessity — it has been an act of faith. Since its foundation, generations of parishioners, benefactors, clergy, and staff have poured their hearts into caring for and preserving this sacred place. Today, we are proud to share that we are living through one of the most significant periods of restoration in Carmel Mission's modern history.

Thanks to your generous support of our Annual Ministry Appeal (AMA), more conservation, preservation, and restoration work has been completed than in any other period of the Mission's history. The last 12–15 years mark the beginning of what we believe will be remembered as Carmel Mission's Modern Restoration Era, a time during which we all witnessed the canonization of St. Junipero.

Every dollar you have given to our AMA designated projects has gone — and will continue to go — directly toward this work.

## **A LIVING LEGACY OF STEWARDSHIP**

Did you know that virtually every building at Carmel Mission, outside of the Basilica itself, has changed its purpose over the centuries? Crespi Hall once stood in the middle of our central courtyard. Each of these historic spaces has a story — one of adaptation, resilience, and the faithful care of those who came before us.

Under the leadership of Fr. Paul, our Mission has entered a new chapter of this story. His stewardship, combined with your support, has made it possible not only to restore what exists but also to develop a comprehensive vision for the future — one grounded in structural integrity, faithful preservation, and thoughtful planning.

## **EXPLORE OUR RESTORATION STORY ONLINE**

We have created a dedicated Restoration website — the living home for Carmel Mission's preservation history. There you'll find architectural timelines, notable benefactors, the stories of our pastors and parishioners, and updates as our work continues to grow. This is your history, too.

# RESTORATION: AT THE HEART OF OUR IDENTITY

## AMA PROJECT UPDATES

Our AMA projects are not isolated efforts — they are interconnected chapters of a single, long-term restoration plan. Work on each project also enables us to evaluate building conditions, complete structural reports, and plan future campaigns with accuracy and confidence. Here is where each project stands today:

### 2024 PROJECT — BLESSED SACRAMENT CHAPEL (BSC) — In Progress

Phase 1 - The ramp, handrails, and door hardware work has been completed.

Additional work on the inside of the BSC revealed termite damage, significant plaster damage, exposed electrical wiring, damaged woodwork, and much needed painting. This work is being performed now, and we will reopen the BSC when complete.

Phase 2 - We plan to expand the pedestrian plaza from the visitor entrance to the BSC north entrance patio to provide an accessible entrance without stairs.

A seismic retrofit analysis and building condition evaluation have been completed, which informs future planning for a full building restoration.

### 2025 PROJECT — MORA CHAPEL PRESERVATION — Active Planning

The Mora Chapel project is one of our most ambitious undertakings — a coordinated effort to protect, catalog, and temporarily relocate sacred artifacts while the chapel undergoes restoration. Key elements include:

- Complete inventory and condition reporting of all artifacts in the Mora Chapel
- Careful removal and secure temporary storage of liturgical items
- Creation of a dedicated artifact conservation and storage workspace
- Structural and seismic evaluation of the chapel building
- Community updates and media documentation throughout the process

This project will also establish long-term infrastructure for artifact stewardship at Carmel Mission — a resource that will serve us for generations.

### 2026 PROJECT — A SAFE PATH OF TRAVEL — Project Launch March 21 & 22

**This year's AMA campaign focuses on accessibility and safety across our campus, including:**

- Crespi Hall accessible ramp
- Window and carpentry repairs
- Seismic structural evaluation of Crespi Hall
- Campus-wide parking lot improvements
- Unified path of travel connecting all buildings
- Exploration of a more accessible route to the Murphy parking lot

Because of the planning work completed during prior AMA campaigns, we enter 2026 with a clear scope, known costs, and a well-developed vision — something that would not have been possible without the groundwork laid together.
